0-3	INSPECTOR GADGET
4-6	DOGGO DETECTIVE
7	TRUE DETECTIVE!

INSPECTOR GADGET

okay, we have the hat and some special tools, but we need to look at the crimes more carefully. but do not worry, it is going to be easy to improve. remember, observe, write and do not jump on conclusions!

DOGGO DETECTIVE

we are very close! your nose is really good and your intuition is great. but remember, a true detective bases his activity on facts and observations! intuition is important, but it is not enough for solving a crime!

TRUE DETECTIVE

well, what can we say? super well done! you are almost ready to solve our case by yourself! you just miss few pieces of information and you will be able to prove your hypotheses!
